Puzzle overview: Being Me in My World

In this Puzzle, children look ahead to the year, setting personal goals and reflecting on what they value about their school community. They explore leadership, motivation and how to approach challenges positively. Across the six Pieces, children learn about rights and responsibilities as citizens and develop empathy for people whose lives are different from their own. They consider fairness, privilege and disadvantage, and how choices affect themselves and others. Children examine how rewards and consequences influence behaviour and work together to create and follow their Learning Charter, focusing on cooperation and having a voice. By the end of the Puzzle, children understand how democracy and shared expectations support a positive school community, with the whole-school Learning Charter as the shared outcome.
