Year 3/4 Magna visit

5th June 2019

Dear Parents/Carers

As part of our work in Science on the water cycle and how objects move in our Design & Technology lessons, we have planned a trip to Magna Science Adventure in Rotherham on Tuesday 9th July.

In order for us to make the most of the visit, we will need to leave school early and will be arriving back slightly later than normal school finish time.

Please ensure all pupils are at school no later than 8am that morning for registration. The coach will be leaving at 8.15am prompt and the coach will not wait for any late pupils. Depending upon traffic, we aim to arrive back at school for 4pm. If the coach looks likely to be back later than this time a text will be sent out. If you have changed your number recently please ensure the office is updated with your new one.

Your child will need to be in school uniform and will need to bring a packed lunch and a drink, not fizzy, in a carrier bag with their name on which will be disposed of there. If your child is entitled to a free school meal we can provide this lunch but you will need to order it on the slip below by Wednesday 12th June. Please note no school meal can be given unless you have pre-ordered one.

Part of the cost of this visit has been subsidised by the school but we are asking for a payment of £16.50 towards the cost of transport and entrance.

You will need to pay via Parentpay. The trip has been set up for you to pay now and all payments must be made before 13th June.
