

6th September 2019

Dear Parents and Carers

During the harvest season our children will be learning about and celebrating harvest. We have a whole school assembly on Wednesday 11th September to open this special time.

Years 1 & 2 will then have a wonderful opportunity to share our learning in a short visit to St Giles Church in Scartho, on Wednesday 9th October. Here, they will showcase their work projects to the other classes. Unfortunately, due to space restrictions, parents on this occasion are not invited. However, keep a watch on our social media pages to see updates and celebrations of the children's visit. If you do not wish your child to go please see their class teacher.

As part of showing our gratitude towards the harvest and people who work especially hard to provide for us, we would like to give to those in need. We would like to make a donation to the local food bank - The Rock Foundation. We therefore ask if you could make a small food donation, please send it in to school before Tuesday 8th October. All donations would be gratefully received.

Many thanks
