

Central Hall Music Concert

We had a great day out at Grimsby Central Hall for our Voices Foundation singing celebration. It was lovely to see so many parents there so thank you for supporting us. We apologise for the late arrival back to school and thanks again to everyone waiting back at school for their patience whilst the children were brought back to school safely.

Year 6 SATs

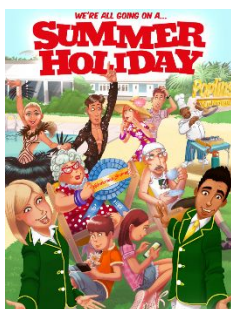

A huge congratulations to our Y6 pupils on their phenomenal SATs results!! 88% of our Y6 children achieved the expected standard in reading, writing and maths – an increase from 60% from last year and compares favourably with a National figure of 65%. These results are a just reward for the children's hard work, dedication and resilience throughout the year. They are very well prepared for the next phase of their education at secondary school and everyone at Fairfield wishes them continued success!

Glow Party

We all had a fabulous time at our Glow Party and raised over £650 for the DRET Inspiration Fund which is fantastic. We look forward to another party in the next academic year!

Summer Fayre

This year's Summer Fayre will be held in school next Monday 22nd July, 3.30pm – 5pm. We will be holding a 'bring a bottle' non-uniform day this Friday 19th for our ever popular bottle stall! Please hand into the office or class teacher and can an adult bring any alcohol to the school office. Remember the better donations make the best prizes! Thank you for your support.

Year 6 Leavers Play

Our Year 6 pupils will be putting on their end of school play this week. The evening show will be on Friday 19th July at 5pm and will be followed by the Leavers' Assembly.

Pupils will be sent home from school as usual that day but they should be back in school for 4.30pm for the start of the show. Tickets are not required and the doors will open at 4.55pm. We expect to finish about 6.30pm.

Book Fair

Thank you to those who came and supported our book fair. There were lots of great bargains to be had and we sold over £700 of books resulting in all our Year groups receiving new books for the library.

Fond Farewells

After 33 years of teaching at Fairfield, Mrs Claude is leaving us at the end of this term.

During her time here she has been an integral part of the school and shaped the start of the educational journeys of so many children. We would like to thank Mrs Claude for all of her hard work over the past 33 years and we wish her all the best for the future.

Miss Schofield is leaving us at the end of this term to take up a teaching position in China. She has been at Fairfield for 6 years and has been instrumental in the incredible KS2 academic results as well as the school's sporting successes both locally and within DRET. Everyone at Fairfield would like to wish Miss Schofield every success in this new and exciting chapter of her career.

At the end of this term, Mr Ogram is also leaving Fairfield and we would like to thank him for all of his hard work in both KS1 and KS2 and we wish him all the best for the future.

Mrs Stiff is retiring at the end of this term after working at Fairfield for 25 years. She has worked as both a 1:1 TA and a classroom TA over the years, supporting children's learning. We will miss Mrs Stiff's expertise in the classroom and we all wish Mrs Stiff a relaxed and fulfilling retirement.

Attendance Updates

It's pleasing to be able to report to parents that attendance at the academy is currently at 96.1% which is above the national level.

The very large majority of Fairfield children are here on time each day, ready to begin the school day at 8.45am, which is great and what we need. However, we often find that being late can upset the children and result in an unsettled start to the day which then has a negative impact on learning. Just a few minutes late each day can really add up over the year – 5 minutes late each day = 3 days of lost learning, 20 minutes late each day = 19 days of lost learning!

We've noticed that some children who are late are now being dropped off at the gate by parents, and then coming into school unaccompanied. Also, we are increasingly getting children returning to school following a medical appointment unaccompanied by parents. In these cases, parents should always bring their children into school and speak to a member of the academy reception team and see their child into the building.

We always strongly encourage parents to make routine doctor and dental appointments outside of school hours. However, we do understand that children sometimes need to attend medical/hospital appointments in learning time; to authorise these appointments we require parents to provide us with evidence, for example, an appointment card, doctors text message etc.

School Meal Ordering

Please ensure you have read the letter about the new online school meal ordering system coming in September. The letter can be found on the Parent Info page on our website. **Please can we remind you too that nuts are not to be brought into school in packed lunches.** This includes peanut butter sandwiches. We have children with severe allergies and need to ensure they are safe in school. Thank you.

Out of School Club Booking Forms

Booking forms are out now for September.

Dates for Your Diary

July

Friday 19th July – Year 6 leavers play at 5pm.
