## DRET Primary Netball Champions!

Following on from their victory at the DRET Northern Primary Cup, our netballers were invited to attend the first ever Champions Cup day at

Charnwood College. Here, the top three netball teams from the northern schools competed with the top three teams from the southern schools to be crowned the DRET Primary Champions.

The morning involved another masterclass training session with Loughborough Lightning and England star, Natalie Panagarry. This gave our players the chance to gain some

valuable advice from a professional and sharpen their skills before competing in the afternoon.

During the competition, our team played some incredibly close and well-fought matches. However, Fairfield showed a huge amount of determination and played strongly as a team winning each game they played. The behaviour and level of sportsmanship shown from each player made them a credit to our school and they are now the well-deserved DRET Primary Netball Champions 2019!

### Walk to School Week 2019:

This year, Fairfield signed up to the 90<sup>th</sup> national Walk to School Week. The campaign encourages children to walk to school in an effort to reduce the number of cars on our roads and increase the amount of physical activity children are receiving on a daily basis. Each teacher has been tracking participation on their class wall charts, with reward stickers and badges for those who have been taking part. We would like to thank all parents for their support in increasing the amount of children arriving to school on foot!

## **Playground Leaders:**

After receiving a week of training last term, our year 5 playground leaders are now set up and running on the KS2 playground. Each lunch time, they have been organising and leading games, giving all children the opportunity to have fun and stay active.

## **Cricket:**

Our year 5/6 girls' and inclusive cricket teams enjoyed a day in the sun at this year's School Games kwik cricket tournament held at Cleethorpes Cricket Club. The girls team played incredibly well, both in bat and field,

winning all but one of their matches and finishing third overall. For some of the inclusive team, it was their first time representing the school in a sports competition and impressively they won each of their matches, gaining in confidence as the day progressed. They were incredibly proud of finishing in 1<sup>st</sup> place!

## **Upcoming Events:**

- Y4 Swimming (Mon –Thurs) – Beginning Monday 3<sup>rd</sup> June for 3 weeks
- Y6 Rounders competition – Wednesday 5<sup>th</sup> June
- Y6 Mixed Cricket competition – Tuesday 11<sup>th</sup> June
